Vision

Neurology® Clinical Practice will be the premier peer-reviewed journal to improve patient outcomes in clinical neurology.

Mission

Neurology: Clinical Practice aims to help clinicians provide unbiased, high-quality care for all neurological patients. We prioritize papers that address quality, patient outcomes, and practice-related topics.

</table>

**Editor**

**LUCA BARTOLINI, MD**
EDITOR
The Warren Alpert Medical School of Brown University
Director, Pediatric Epilepsy Program
Specialties: Epilepsy, child neurology, and neuroinflammation

**KATHRYN A. KVAM, MD**
DEPUTY EDITOR
Department of Neurology & Neurological Sciences
Stanford University School of Medicine
Center for Academic Medicine
Specialty: Neurohospitalist medicine

**AMANDA JAGOLINO-COLE, MD, FAAN**
ASSOCIATE EDITOR
McGovern Medical School at the University of Texas Health Science Center at Houston
Specialties: vascular neurology, teleneurology, telestroke

**JOHN P. NEY, MD, MPH**
ASSOCIATE EDITOR
Acute and Specialty Care Service Line
Edith Nourse Rogers VA Medical Center
Specialties: Areas-cost of care, burden of illness, budget-impact, cost-effectiveness, comparative effectiveness, health technology assessment, health economics, health policy, health outcomes research, health services research, evidence review, meta-analytic techniques, clinical neurophysiology, intraoperative neuropsychological monitoring, pain, neuromuscular, EEG, EMG, neurological procedures including botulinum toxin therapies

**BELINDA A. SAVAGE-EDWARDS, MD, FAAN**
ASSOCIATE EDITOR
Rehabilitation & Neurological Services, LLC
Specialties: Board certified in headache medicine, board certified in neuromuscular diseases

---

**Deputy Editor**

**JACK W. TSAO, MD, DPhil, MBA, FAAN**
ASSOCIATE EDITOR
Department of Neurology
New York University Grossman School of Medicine
Specialties: Concussion, phantom limb pain, chemodenervation, dementia
Section Editors

ARAVIND GANESH, MD, DPhil (Oxon), FRCP
EDITOR, Practice Current
Department of Clinical Neurosciences
University of Calgary
Specialties: Vascular and cognitive neurology

ALONSO ZEA VERA, MD
DEPUTY EDITOR, Practice Current
Children’s National Hospital
Department of Neurology

NEHA S. DANGAYACH, MD, MSCR, FNCS, DCE’21
EDITOR, NCP Accelerator Neurocritical Care Division
Departments of Neurosurgery and Neurology Mount Sinai Health System
Icahn School of Medicine at Mount Sinai
Specialties: Neurocritical care, stroke, intracerebral hemorrhage, subarachnoid hemorrhage systems of care, health services research, patient centered outcomes, implementation science

Contributing Editor

HAITHAM HUSSEIN, MD, FAAN
CONTRIBUTING EDITOR
University of Minnesota Medical School
Department: Neurology
Specialty: Vascular neurology
MARTINA ABSINTA, MD, PhD
Institute of Experimental Neurology
Division of Neuroscience
San Raffaele Scientific Institute and Hospital
Vita-Salute San Raffaele University
Specialties: Inflammatory diseases of the central nervous system, multiple sclerosis, neuroimagining, neuropathology

TARSO ADONI, MD, PhD, FAAN
University of São Paulo
Department of Neurology
Specialties: Neuroimmunology, multiple sclerosis, neuromyelitis optica, optic neuritis, myelitis, neurosarcoidosis

AIESHA AHMED, MD, MBA
VP, Population Health—Corewell Health West
VP, Chief of Neurological Health—Corewell Health West
Professor, Department of Neurology & Ophthalmology
College of Human Medicine—Michigan State University
Specialties: Neuroimmunology, myopathies, myasthenia gravis peripheral neuropathies, general neurology

ASHLEY ALEX, MD
Jacobs School of Medicine and Biomedical Sciences
University at Buffalo, The State University of New York
Specialties: Headache medicine

FRANCESCA BAGNATO, MD, PhD
Vanderbilt University Medical Center
VA Medical Center TN Valley Healthcare System
Specialties: Neuroimmunology

JAMES L. BERNAT, MD, FAAN
Geisel School of Medicine at Dartmouth and Dartmouth-Hitchcock Medical Center
Specialties: Bioethics, professional conduct and misconduct, coma and disorders of consciousness, brain death medicine, neurology education

JOSÉ BILLER, FACP, FAAN
Loyola University Chicago
Department of Neurology
Specialties: Ischemic and hemorrhagic cerebrovascular diseases (children, adults), carotid artery disease, transient ischemic attacks, CNS vascular malformations, clinical trials in stroke, neurology of systemic diseases, acute care neurology/neurohospitalist medicine, headache medicine

RITVIJ BOWRY, MD
Assistant Professor, Neurosurgery (Division of Neurocritical Care) and Neurology
Director, Neuroscience Intensive Care Unit, Memorial Hermann Hospital-Memorial City
Co-Director, Houston Mobile Stroke Unit
UTHealth Houston | The University of Texas Health Science Center at Houston McGovern Medical School
Specialties: Critical care neurology, vascular neurology (stroke)

DAVID J BROOKS, MD, DSc, FRCP(UK), FMedSci(UK), FEAN
Professor of Neurology and PET Clinical Science
Institute of Translational and Clinical Medicine
University of Newcastle upon Tyne, UK
CARU, Campus for Ageing and Vitality
Professor of Neurology
Dept of Nuclear Medicine and PET Center, Aarhus University
Specialties: Dementia, Movement Disorders, Neuroimaging

TRACIE A. CALLER, MD, MPH, FAAN
Cheyenne Regional Medical Group
Specialties: Neurophysiology, preventive medicine, quality improvement & patient safety
TINA CHARWAY-FELLI, MD, PhD, FGCPs
President, African Academy of Neurology
Specialties: General neurology, behavioral and cognitive neurology, neurodegenerative diseases, movement disorders

NATHAN T. COHEN, MD
Assistant Professor of Neurology and Pediatrics
The George Washington University School of Medicine
Attending, Division of Epilepsy and Neurophysiology
Children’s National Hospital
Washington, DC
Specialties: Pediatric epilepsy, epilepsy surgery, malformations of cortical development

CALLI COOK, DNP, APRN, FNP-C, FAANP
Emory University
Neil Hodgson Woodruff School of Nursing
Emory Brain Health Center
Department of General Neurology
Specialties: General neurology, headache, multiple sclerosis

TIMOTHY J COUNIHAN, MD, FRCPI, FAAN
Department of Neurology
Galway University Hospitals
Specialties: Movement disorders, education

GUILLERMO DELGADO-GARCÍA, MD, MSc, CSCN (EEG)
Department of Clinical Neurosciences
Cumming School of Medicine
University of Calgary
Specialty: Epilepsy and EEG

MARC DISABELLA, DO
Child Neurology Department
Associate Professor of Pediatrics and Child Neurology
Program Director, Child Neurology Fellowship
Director, Headache Program
Medical Director, Neurology Education
Children’s National Hospital
George Washington University School of Medicine & Health Sciences
Specialties: Headache, migraine, trigeminal autonomic cephalalgia, pseudotumor cerebri, education

IMA EBONG, MD, MS
Assistant Professor of Neurology
Director of Diversity and Inclusion
Department of Neurology
University of Kentucky
Department of Neurology
Specialties: Clinical neurophysiology, epilepsy, neuromuscular diseases, general neurology, EDI in medicine

RAQUEL FARIAS-MOELLER, MD
Medical College of Wisconsin
Department of Neurology and Pediatrics
Division of Child Neurology
Children’s Wisconsin
Specialties: Pediatric neurology, pediatric epilepsy, pediatric neurocritical care

GILLIAN L. GORDON PERUE, MBBS, DM, FAHA, FAAN
University of Miami, Miller School of Medicine, Miami FL
Assistant Professor, Vascular Neurology
Chief, Neurology, Jackson South Medical Center
Director, Stroke Program, Jackson South Medical Center
Chief, Neurology, Jackson West Medical Center
University of Miami Miller School of Medicine
Specialties: Stroke, general neurology, neurohospitalist

LYELL K. JONES, Jr., MD, FAAN
Department of Neurology
Mayo Clinic, Rochester, MN
Specialties: Neuromuscular, EMG/NCS, neurology education, health policy, health care economics
MARK R. KEEZER, MDCM, PhD, FAES
Centre Hospitalier de l’Université de Montréal
Specialities: epilepsy, epidemiology

CHRISTINE KIM, MD
Department of Neurology
Division of Movement Disorders
Columbia University Irving Medical Center
Specialties: Parkinson’s disease, atypical parkinsonism, essential tremor, ataxia, dystonia

BARRBARA S. KOPPEL, MD, FAAN
Department of Neurology
New York Medical College
Specialties: AIDS and CNS infections, epilepsy, illicit substance use, cocaine, alcohol and other neurotoxins, neurologic complications of vitamin deficiencies

GARY KUI-KAI LAU, MBBS, DPHIL (OXON), FRCP, FESO
The University of Hong Kong
Division of Neurology
Department of Medicine
Queen Mary Hospital
Specialties: Stroke, vascular neurology

Z PAIGE L’ERARIO, MD, NYS CRPA/CPS-p
Fordham Graduate School of Social Service
The National LGBT Cancer Network
Specialties: Vascular neurology, functional neurological disorders

HEIDI MOAWAD, MD
Case Western Reserve University
Specialities: Patient education, patient care, education, CAM, payment policy, health care policy, professional development

LIDIA MOURA, MD, PhD, MPH
Harvard Medical School
Department of Neurology
Web: Center for Value-based Healthcare
Specialties: Population Health Sciences, Epilepsy, Neurophysiology

VIVEK NAMBIAR, MD, DM
Division of Stroke, Department of Neurology
Amrita Institute of Medical Sciences
Specialties: Stroke neurology, post stroke auto immunity, vascular interventions for stroke

MARC R. NUWER, MD, PhD, FACP, FAAN
University of California Los Angeles
Department of Neurology
Reed Neurological Research Center
Specialties: CPT coding, evaluation and management services, intraoperative monitoring, ICU EEG monitoring, epilepsy monitoring, epilepsy patient care, EEG, evoked potentials, health care public policy, health care reform

CASEY OLM-SHIPMAN, MD, MS
University of North Carolina School of Medicine
Department of Neurology and Neurosurgery
Neurocritical Care, Stroke and Child Neurology Divisions
Specialties: Neurocritical care, pediatric stroke, quality improvement, health systems science, patient safety, health disparities, value-based care
